PLANTERS' WHOLESALE PRICE LIST for Fall of 1915 and Spring of 1916

To our mail order trade :

We have a few facts to tell you, backed up by our millions of choice, healthy, vigorous, well grown and graded Peach, Apple, Pear, Cherry and Plum trees, also Berry plants, California Privets, Barbery Thunbergi, and Asparagus plants, etc.

Our stock has made a fine growth. You can't get better anywhere at any price.

The best is the cheapest, is the verdict of old, experienced orchardists---profit by facts established by others. We give wholesale prices, and ship direct. We are the lowest priced Nursery on earth for sterling quality. We attach Entomologists certificate to all shipments.

Nothing you can grow, will give you the permanent income that comes from an orchard.

Government statistics show Nursery Products, to be first, classified by source of income. This is evidence that they pay a bigger dividend, than other branches of farming. And that is why your farm will bring a bigger profit, if you'll Plant a part, or all in fruit.

Place your orders now. Make sure of your trees. Name kinds, grade and number wanted. We will reserve the trees until you want them shipped.

This past season hundreds of planters failed to get supplied because they waited too late before placing their orders. With the increased demand for Peach trees and the limited supply, we advise you to order soon as our prices are surely low.

Can't you arrange to visit our nursery and see how we grow our stock ?

30 trees of one variety at 100 rates, 300 of a kind (or not less than 10 of one variety) at 1000 rates, over 10 and not less than 30 at 10 rates, less than 10 at each rates. Please note where no 1000 rates are quoted that 100 rates govern. All stock nicely packed F. O. B. cars here, in good boxes or bales at prices named in price list.

Terms:—Orders from parties without rating, bill cash before shipment or one-quarter cash with order, balance when stock is ordered shipped. If all cash with order 5 per cent. off. No discount unless all cash with order. This price list is our salesman, and opens the way for every planter to secure our sterling quality trees at the lowest possible prices.

Westminster Nursery, Westminster, Maryland.

Write your name and address plainly, always give shipping directions whether by freight or express, and name freight or express office. If directions are not given we will use our own judgement.

If Frozen when Received bury the package unopened in well drained ground or place it in a cool cellar, so that it will thaw out slowly and gradually without being exposed to the air.

If they should appear Dry or Shriveled When Received, through delay in transit, or from any cause, take them from the package and plunge into a tub of water or bury the roots in the ground in an inclined position, so as to cover one-half or more of the tops with earth, and then thoroly soak with water, and then let remain for twenty-four hours or more, until they regain their fresh, plump appearance, when they may be planted.

Our Guarantee—While we exercise the greatest care to have every tree and plant true to name and are ready, on proper proof, to replace anything sent by us that proves untrue to label, free of charge, it is understood and agreed between purchaser and ourselves that we are not to be held liable for any greater sum than that paid us for said trees that may prove untrue.

Time of Shipment—To the Fall trade, we will commence to ship trees as soon as the leaves are off and the wood ripe, and plants about the 1st of October and continue as long as the weather is mild. For the Spring trade, in most seasons, we can fill orders as early as February for the South, as late as May for the Northern customers. Always name date when you want stock shipped, but have it reach you before you need it. We endeavor to handle your stock in the best manner, pack it up nicely and give you good count.

When Best to Order—Order now, do not wait until you are ready to plant. Your order will not be shipped until the proper time.

How Best to Remit—Remit by Bank Draft, Express Money Order, or Post Office Money Order on Westminster Post Office, Registered Letter, or stamps for the fractional part of a dollar. Payments Invariably in advance.

Special Low Express Rate—By special arrangements we are able to send plants by express to any parts of the country at 20 per cent. less than merchandise rate over each company. We interest ourselves in giving our customers a low express rate.

Claims for Deduction should be made within five days from receipt of goods.
